

Survey # WA-I-677

Approximate date _____ ? _____

Street Address 20 E. Poplar Street

Town, State Funkstown, Maryland 21734

private x, public ____

Description:

This house appears to be of recent vintage, but thickness of the first story door and window jambs suggest that this may be a one story log house raised to two stories. The entire structure is covered with vinyl siding. It is two bays wide but the pattern of openings at the second story does not relate at all to that of the first story.
